Flavours & Fragrances

Flavors & Aromas

Flavour is the key ingredient to any product. It gives the first impression (odor) and the last (taste) of a product. Playfully, they seduce our senses and have a major part in the success of a final product. Falcon and our partners select only the best proposals for all your applications. Water-soluble or oil-soluble, powder or liquid flavours our range has various selections and unique flavours.

Fragrances

Fragrances were created to give a note of pleasure and luxury in our lives. Whether they resurface a sweet memory, or offer us comfort or give us confidence, they are a part of our everyday routine. They are in every product that we use, and they define it. Falcon offers a big variety, from single note fragrances to delicate creations, that will fascinate you. Chosen high-quality materials lead to that perfect result.
